LOCKS APPEAL

I was a bit of a punky chick all the way through college but, soon after graduating, I got an interview to work for a posh hotel chain so I needed a makeover and fast! Luckily, one of my sister's mates, Andrea, is a hairdresser and she agreed to give me a restyle at her home one evening.

"Bi," I answered. "And she doesn't know.

"She doesn't know I am, either, said Andrea.

I was a bit shocked but it sort of made sense if you knew Andrea, and now things got a bit flirty between us.

When she was washing my hair she kept

massaging tingly points on my scalp and shoulders, and as she combed my hair through, her tits kept brushing up against my back.

We caught each other's eye in the mirror, and then she dropped a big, long kiss on my mouth.

I stood up and Andrea undressed me, stretching it tight against my pussy and watching my wetness soak through the skinny gusset. And it got wetter as she began to lick it.

It felt a bit weird messing around with my sister's mate like this. Then she pulled the knickers right up into my slit and started to stroke my labia. "At least someone did a decent job of shaving your pussy," she said. I'd done it myself, but if she wanted to imagine me, legs splayed as another girl removed my pubes, I wasn't gonna spoil the fantasy!

She couldn't wait any longer and pulled them to one side, to expose my snatch which was nice and sticky by now. She dipped a couple of fingers inside me, then

pulled them back out so we could taste my pussy off them. She kind of "went down" on her own index finger while I sucked the middle one, then we had another, juice-flavoured kiss before she got properly stuck in.

She splayed me as wide open as she could, hooking a leg over each arm of the chair. Then she used her thumbs to pull my twat open, fingers on my clit as her tongue thrust and wiggled in my hole. She got me off so fast, my breath coming hard and heavy as my crotch tingled and went taut. Then she sealed her lips over my hole as my orgasms forced out my juices. She kept on sucking until I couldn't cum any more.

I did actually get my hair done – luckily before I gave Andrea a bit of tongue-treatment in return. She was so shaky after cumming, I had to do my own blow-dry!

I also got the job so I've got some champagne for us to celebrate with, as a way of thanking her. I'm intending to trickle it down her slit so I can drink it out of her pussy, blending with her creamy cum-juices...

FRUMPY PUMPY

I work with a bloke called Nick. Funny as fuck, but he really brings out the childish side of me! We're always taking the piss out of certain colleagues, and we got a bit fixated on this girl called Alison.

It wasn't that she was a dog, just that she had really frumpy dress sense for a girl who wasn't even anywhere near 30. But Nick got it in his head that she was a right nympho deep down.

It just got more and more stupid – he'd make comments about her having suspenders on under one of the horrible skirts she always wore, then edible knickers, then it would be that she went commando, but had a butt-plug up her arse. That the boss inserted every morning. Try keeping a straight face when you're getting that in emails at the most awkward time. We also set up a challenge – first to fuck her.

I took it as a joke but should have known Nick wouldn't. I hate to lose a bet, though, so when I saw him chat her up at an office drink-up, I steamed in too. Of course, he told her I was only trying it on for a bet – he's louder than me but I've had way more fanny than him.

Then she just said, cool as, "I'll shag whichever of you is up for it. Both, if you want."

We all left separately and arranged to meet back at mine. Just as I was thinking they'd copped off and left me to play with myself, the doorbell rang – Alison. Now I was tempted to lock Nick out and have her to myself, but I wanted him to see me win the bet. I started snogging her, stripping her off like I couldn't stop myself.

Fair play, she was stunning naked, really curvy. I snogged her, groping her tits and she actually grabbed my hand to move it down in between my legs.

She felt so juicy and I got her down on the floor – and sure enough, by the time Nick arrived and let himself in through my unlocked door, I was in her down to the nuts. Bet won.

Fair enough, that makes me sound like a shit but I'll be honest, I was fucking her because I fancied her. And Nick was looking at her like, is this the same woman? She'd gone from this mousy bird to a moaning, wriggling slut, splaying her legs and telling me to fuck her harder – or else she'd see if my mate could do better!

Nick was aching to get up her but he wasn't even getting a sucking just now. I was nailing her arse to the floor with every thrust, her hand wedged in between us, diddling her clit. I felt her snap vice-tight then spasm around my meat, which set me off too.

I pulled out, rolled over to one side and Nick, now stripped off, steamed in again, splaying her open so he could watch my jizz pour out and down her crack. Then he got a couple of fingers up her arsehole, pumping them in and out while she kept

smile on her face, playing with the ropes of it until they melted into her skin. Then I crawled over, offered her my cock to suck on and she took it. First blow job off her, so 2-1 to me, but I think we soon lost count of who scored what!

Nick can be a gobby twat at times, and I cringed later as he asked Alison why she dressed like she did. She explained she'd got ticked off in her last job for dressing too slutty, so maybe she was overcompensating. Nick said she should risk going slutty again, and so far

"I watched the jizz pour out her crack"

on rubbing her clit. Her pussy hole was winking open and shut, oozing cream. Then he rolled her on her belly, pulled up her hips and lammed right into her.

If he couldn't fuck her first, he was going to fuck her harder, and she was really sucking it up, cumming hard, tits slapping together, like an echo of his crotch hitting her arse. But as he reached the edge he pulled out, flipped her over and spuffed on her tits.

She just lay there with a big, dirty

nobody's complained. Nobody gets any work done either, but there you go...

NY WAY

When my friend Taryn held a big New Year's Eve bash at her place, I – being a really good mate – agreed help her clear up the next day. I found this bottle of raspberry liqueur with a couple of inches in the bottom and asked should I just chuck it, but she said no, we'd finish it off now. We'd already been chugging the last bottle of wine as we cleaned.

It was nice but way too sickly to drink straight as a shot. Then Taryn started dipping her fingers in it, and sucking it off them. She's a well-stacked girl – get her pissed enough and her party piece is sucking her own nipples. So, for a laugh, she rubbed a bit on her left teat and lifted

it to her mouth.

She dared me to have a go at sucking my own baps. I told her they weren't big enough but she insisted. I couldn't and, as the liqueur started to trickle down, she lapped her way up over my boob then sucked my nipple.

She said maybe she should save a bit to suck off her bloke's cock, or drip some on her pussy when he went down. I asked would it mix right with pussy juice, and she said there was only one way to find out...

She poured a bit over her slit then tasted it with her finger. "Mmm..." she said, and scooped out more. I wanted to try it, but she just pointed down at her snatch, daring me to lick it.

"OK," I said, and took a few nervous laps. Then she told me to keep licking, saying that "nothing cured a hangover like an orgasm". It tasted good, all sweet and salty, and she dripped more liqueur on as I licked away. Then she told me to get on her face so she could eat me too.

I straddled her head and felt her tip a bit of the booze down over my crack – it didn't burn but I got a lovely, warm tingle from it. Then Taryn took her first few licks. She was so gentle at first that I hardly felt it, so I licked her harder. Then, as she got more into it, pouring on more liqueur and using her tongue to mix it in with

my pussy juices, I felt the first few little twinges.

I'd buck and twitch, and she'd hold me tighter on her mouth, and her tongue was fucking my cunt. I moaned at her to suck my clit – she used her fingers on it instead, rubbing and squishing it against my pubis. I get really wet when I'm turned on and she was having to slurp and swallow to take in all my juices.

I ate her as messily as I could, too – blokes I've sucked off love it like that, and Taryn was just the same. I felt her entire crotch go taut, then throb and pump in orgasm. And as I moaned, getting my pleasure from hers, my own orgasm crashed through my body, with Taryn opening her mouth wide to get as much of her tongue inside me as she could.

Even when my spasms had died away she kept on licking, as if to take in every drop of raspberry-sweet pussy juice she could, and I got little orgasmic aftershocks as she swallowed it.

We had so much fun that I got a miniature bottle of crème de menthe for the next time I saw my boyfriend. He took the piss, saying it was an "old biddy's drink" but, after I'd sucked him with a tingly mouthful, and he'd added to the "crème" pouring down my throat, he changed his mind.

Janey, Surrey.

FUCK AND MAUL

Jane was pleased to see her account of our tennis contact in an issue of *Swing*.

Guy wrote to Jane begging for a pair of soaking knickers which he sniffed and wanked happily with. Guy then wrote again asking if me and Jane fancied coming on a weekend rugby tour with his team. I could play and Jane could take photos.

Jane immediately said yes and we had several great fucks thinking about her being tour slut and being passed around a team of big horny players.

The first day passed without incident. The fun came on the second night with a drinking game in the hotel.

Jane's first forfeit was met with a demand to take her jeans off which she did without hesitating. What the other players did not realise was she was knickerless below her long rugby shirt.

I placed my hand on her seat and as the game continued she writhed on my fingers, up to the knuckles. Her juices sloshed as I moved four fingers around.

Jane rubbed my dick with her hand and was not concentrating on the game as she missed her cue again. The judge decreed that her job was to arouse the slumbering young tour virgin who was slumped worse for wear on the adjoining seats.

Jane strode over to Jamie with her thighs glistening and traces of her juices dripping down the inside of her knees.

There was a group gasp as she bent forward to whisper in Jamie's ear because from our table directly behind we got an eyeful of Jane's bare behind and glistening fanny.

Jamie seemed comatose and Jane asked if the lads would carry him up to our room to tackle her task.

Jamie was whisked up by several willing helpers. I remember being embarrassed at the mess in our room and the pink vibrator on the side. He was dumped on the bed and Jane asked if anyone wanted to take a picture of her first with our camera. Each of the

in provocative poses. she set about her task.

She pulled Jamie's trousers and pants off to reveal a large but limp dick which she began to lick on all fours, her beautiful arse stuck out at the end of the bed toward her audience.

Jane ordered me to pass around the condoms and said she wanted everyone to fuck her from behind while she worked on Jamie. The next ten minutes was a rapid fuck-fest as at least half a dozen dicks rammed into my missus.

Jamie was by now finally roused and his impressive dick was filling Jane's welcoming mouth. As the fat prop forward Wilko came, Jane took the opportunity to clamber up and straddle Jamie.

lads took turns with Jane. Then

After bucking for a few strokes she leaned forward, looked over her shoulder and told Guy to fuck her arse.

I was so turned-on I could not help but go and stand by the bed in front of Jane and stick my dick in her hungry mouth.

Jane never stopped gobbling as she got fucked in all holes. I exploded in her mouth and my cum dribbled down her throat as she began to scream her way to orgasm at the same time as the ecstatic tour virgin. Guy was last to climax inside Jane's ring. His knees began to buckle as he let out a guttural groan.

Jane looked up to see poor Phil still with his condom on, having not got in on the act. She beckoned him over and took his condom off and began greedily sucking and wanking him before timing it perfectly to aim his jism over her tits.

Jane tenderly then popped Phil's knob back in her mouth and licked it clean.

DIRTY BEACH

I met Yasmin at a "beach party" night at a club in town. She was wearing a gold bikini top, really tight jeans and a gold-sprayed straw cowboy hat.

Not subtle, but I'm such a tit man and her boobs were so unbelievably epic, I'd have noticed her anyway, I think.

She was taller than me in her heels, so at least I had an excuse for talking to them all night. But she didn't seem to mind – she let me take her home.

I tried not to look too desperate as we kissed, stroking her bare belly. But when my hands finally touched her boobs I found I'd been right in thinking her nipples were pierced.

That's when I got my first view of them – she showed me the little rings with a diamanté-studded ball clipping them shut. We kissed a bit more then I undid her top, and saw how big and firm they were.

Her nipples were mega-sensitive. As I

fingered them, she'd let out these little whimpers, like it was too much pleasure to take. And when I sucked on them, flicking the piercings with my tongue, it was like her body was trying to jerk away though she was shoving them hard against my mouth.

I asked had she ever cum just from that. She said she had, but she preferred the "usual" way. She started writhing on the bed, with her hand stuffed down the front of her jeans, so I helped her out of them,

"I emptied my balls over her boobs"

easing them down and off until I was left with just the sight of her frigging off.

Most other blokes would just have fucked her straight off, but being obsessed with boobs they had to be a part of my next move. So I got her in a Tantric sex position, straddling my crotch as I knelt on my haunches.

It wasn't like her pussy was a disappointment – it felt so wet and warm, gripping my dick as I slid in. But what really did it for me, what kept me hard, was nuzzling and sucking on her tits all the while.

The more I sucked the harder and tighter she fucked me, but my mind kept drifting. In the end I just gave in, asked her for what I really wanted. I pulled out, laid her back on the bed then straddled

such thing as a bad climax, but if I have to rank them, that was easily one of the best!

I'm not completely selfish, though, and now I'd satisfied that urge, I gave her pussy some attention. She wanted it from behind and her arse was almost as peachy as her tits – close enough when it came to having something to grope while I fucked her twat.

My hands were all over it as I

pounded in as deep as I could. Then I felt myself get close to cumming again – so I leaned right forward, stretching to cup her boobs, squeezing them hard as I shot. I just couldn't help myself!

That was us sorted for a while, and I dozed off with my head resting up against Yasmin's knockers. She was the first to wake up, and she rolled me on my back and got on top, sticking them right in my face, until I blew my beans up her clenching pussy again...

her body, squashing her tits together then fucking my wet cock in and out of them. Her cunt cream gradually went from slippery to sticky, the friction and heat building in our flesh.

I stopped for a moment, to try and get a grip, but she immediately grabbed my cock and started to suck on the helmet. "Not in your mouth... not yet anyway," I said, and she let me go back to fucking her boobs until I emptied my balls all over them.

They were so big that my aim didn't matter. It just kept cumming, and splattering on them until I felt like I was wringing the last drops out of my very tender tip! Most of all, though, I focused on her nipples, using my dick to drip and paint the creamy jizz all over them, breathing in sharply as my sensitive helmet brushed the jewellery. There's no

Head 2 Head Le Pluriel, Paris

Angus Brown revisits Paris, where swinging is done with typically French flair...

Arguably the most glamorous of all the Paris swingers clubs, Le Pluriel (www.plurielclub.com) establishes an air of decadence the moment you walk in the door. The whole place looks like a dungeon! So if you like an authentic feel when it comes to fucking, get your Eurostar ticket today.

This time I wasn't travelling alone, either. I have a friend, Jane, and for the past few years we've been getting together on a semi-regular basis to have a laugh and

screw each other's brains out! The last time we hooked up, I asked her if she would be like to join me on a trip to Paris, taking in a swingers club on the way. Jane has always fantasised about being fucked by a group of guys, so she was well up for it.

We checked into a hotel, went for lunch, spent a few hours shopping and enjoying the city,

jumping on her there and then!

We left the hotel at 7:30pm and arrived at Le Pluriel at around 8pm. We paid (single guys pay around €100, as a couple you pay only €54). Then we went to leave a few items in a locker room and headed to the bar. There were two other couples there already. One very good looking young black couple from the US and one sexy older couple from France. I personally don't like to talk too much in a swingers club. It just ruins the atmosphere for me. I prefer to look around, and imagine who the dirtiest woman in the room is. On this occasion I knew it was Jane. She's been to Vegas and New York with me on swinging expeditions before, and it never ceases to amaze me how fucking slutty she is. If she's in the right mood, Jane is up for pretty much anything.

While we were standing at the bar, she pointed to a small table with five guys sitting around. She said, "Watch this," then walked over to them, stopped at the table, bent down, pulled her little lacy G-string off, gave it to one of the guys and said, "Come and find me in five minutes. I'll be waiting for all of you!" They were a little more stunned than I was, and the American couple next to us were smiling, while I saw the husband

and then returned to the hotel to get ready. I asked her to put on a sheer blouse, black bra and a short skirt, under which there was just the flimsiest of G-strings for easy access once we got to the club. Her outfit was finished off with a pair of shiny black high heels, which looked amazingly sexy.

Jane is 27 years old, slender and gorgeous, with a pair of natural 32DD breasts, when I saw her dressed up to play, it was all I could do to keep from

squeeze his wife's small tits through her blouse.

Jane returned, a Cheshire cat grin on her face, grabbed my hand and said, "Let's go downstairs...". I followed her without question. We went to the second basement, and walked into a lovely prison cell-like bed affair: big bed surrounded by bars. She told me to stand outside while she climbed on the bed, pulled up her skirt and removed her top and bra. Then she started masturbating, just as the guys from upstairs arrived. In fact there were now seven guys, plus the two couples. I think they wanted a little inspiration.

Jane loves an audience, and was moaning loudly as she shoved two fingers inside her very wet cunt. I could hear the noise her juices were making. So could the guys, and the one holding her G-string tossed it onto her stomach and then leaned down between her legs and started licking her pussy. The moaning increased, and I had a look over at the two couples who were both getting turned on.

free condoms provided by the club and slid my entire length inside her arse. She was screaming in delight. As if to shut her up, one of the guys fed his hardening cock into her mouth. She grabbed it like it was gold, and started sucking like crazy. She was almost making me cum with her wild movements. I thought Jane was the biggest slut in the club, but this woman was putting her to shame. I started spanking her arse, and as I did so, her husband came over and joined me. All he said was, "She likes to swallow cum."

Well, that was enough for me. Here was a woman who loved anal, oral, pussy-licking, spanking and – on top of that – she loved to swallow as well. By this time the man from the French couple had taken an interest in Jane... I saw him sticking his cock right down her throat. His wife was on the sidelines not doing much, but looking like she wanted to. She had a pair of big breasts, which always works for me. I pulled

amazed. I wished that sex hadn't gotten so fucking complicated with having to be safe and wear condoms, because this was one pussy I would love to go into *au naturel*.

I thought the next best thing would be to suck all her juices out and into my mouth and swallow as much as I could. I pushed her on the floor, oblivious to everything else, stuck my tongue deep inside her and placed my mouth so that it covered her entire pussy. I sucked out as much as I could. She tasted gorgeous. My hands were gripped tightly on her arse, and my mouth sucking her pussy over and over. My cock was

"Every woman there was up for getting fucked"

The American woman was looking over at me and smiling. I smiled back while removing my cock from my trousers. She stared at my cock and winked at me. Her husband let her go and she moved towards me, grabbed my cock and stuck her tongue down the back of my throat. I pulled her towards me and put my hand up her skirt, only to find that she wasn't wearing any underwear. My hand pulled her cheeks apart and, after wetting it on the juices flowing from her pussy, I eased one of my fingers into her arsehole. I stuck it in quite quickly, and she moaned and sucked my tongue even harder as I frigged her arsehole, wanking my cock furiously. I realised she might be a bit on the passive side, so I pushed her to the ground, on all fours, pulled both her arse cheeks wide open, and then rammed my tongue inside her gaping arsehole.

She went fucking mad, making such loud sounds that I saw Jane sit up while she was being fucked, just to see what was happening. I slipped on one of the

my cock out of the American's arse and walked over to the French woman. She wasn't looking at me, but at her husband having his cock sucked. I just started to trace my hand up her right leg. She turned around immediately and opened her blouse as she closed her eyes. I pulled her massive tits out of her bra, squeezed them together and tried to get both nipples into my mouth. I eventually did and started to nibble gently on them. Delightfully, she started moaning almost immediately. All my fucking Christmases were coming in one night. Every single one of the women in this room was up for getting fucked good and proper.

She grabbed one of my hands and pushed it between her legs. She was absolutely sopping. In all my days of swinging, I have never felt such a wet cunt. It was as if she had poured water inside herself. My cock went completely numb, my hearing nearly went too. I was

nearing explosion, and at one point it touched the carpet, and I nearly fucking came. This woman had me beat.

I was just about to move my mouth away and slide on another condom so that I could fuck her wet cunt, when I felt a hand touch my cock. I looked around to see the American woman right behind me, but since I was so turned on, the moment I felt her hand tugging my cock, I started cumming there and then. Luckily she saw the cum squirting out and she quickly got her lips around the head of my cock, spilling some, but getting most of it and swallowing as her husband had promised.

It felt great, but I felt absolutely gutted that I had missed the French woman's cunt covering my cock!

PARLOUR GAMES!

Berkshire

Sex services expert George McCoy has a princely time in the royal county of Berkshire

"A local lady greatly enjoyed the Sybian sex machine"

Tel: 0844 414 6738

Berkshire is a very prosperous county and boasts a decent variety of adult services, though little in the way of escort agencies.

Nearly all of the county's adult services are to be found in its eastern half of the county, with little to be found west of Reading, though there was a delightful mature lady who bore an uncanny resemblance to the Duchess of Cornwall entertaining in the Newbury area, but she has now moved towards Cirencester in Gloucestershire. It is rather sad that a royal lookalike should have left the royal county. When it comes to the county's parlours and private establishments, the county boasts four establishments of note, two long-standing parlours both in the Oxford Road area of Reading and

two private establishments, a long-standing one in Slough and a new one that has only just started operating in Maidenhead.

The longest running parlour in the county is the not so imaginatively named **613 Oxford Road**. Run by a charming lady called Charlie, when I visited it recently, it was looking better than I remembered it from my last visit to it, some years ago. I was shown around and I even photographed two of the ladies there, Kelly and Lola.

At the town centre end of the

Oxford Road is **The Lounge**. It boasts British nationals of Thai and Indian extraction, as well as many white ladies including several from Europe and operating since early 2010 from an unusual yet luxurious single storey building. It boasts professional management who make sure their staff know what is expected of them.

dominatrices see their slaves.

In Slough one finds **Independent Babes**, a collective operating from a semi in Cippenham Lane. Operating continuously since 2005, Independent Babes was originally known as Ambience and then Attractions, and boasts a four poster bed and a dungeon and has very friendly and competent staff running things there.

Operating from a discreet flat in Maidenhead town centre is **Secret Liaisons**. A sister establishment to the Country Retreat of Gerrards Cross, with which it shares staff to some extent, it has only been in operation since mid 2013 and boasts a delightful selection of ladies, of all nationalities including British and many European beauties. However, this is an establishment where the ladies know what is expected of them and they all deliver as well as looking gorgeous.

On the corrective front, the establishment one is bound to think of first in **The Fetish Studio**, where probably a majority of the county's

Comprising of a log cabin at the back of the garden of a house not far from Prospect Park, I was down there recently and met up with both its proprietor, Mike and Josephine Scissons, the town's lone submissive. While Josephine was being abused by a client, Mike and I enjoyed a long amiable conversation, whilst he told me of his latest toy available for use in the studio, a Sybian sex machine and showed me a film of a naked lady, apparently a local college lecturer, enjoying its use, which he had taken. My life is never dull! Eventually Josephine emerged from the Fetish Studio none the worse for wear.

Another mistress of note operating in the county is **Mistress Dynamo** of Wokingham, who specialises in wrestling, while another lady of particular note is **Mistress Jane**, who has her own dungeon located south of the town very conveniently located for the M4 junction 12. She particularly enjoys strap-on training and feminization, but also has

a good selection of equipment to which one can be secured, so she can concentrate of inflicting pain to the sensitive areas of one's body. And with lots of favourable reviews, this is clearly a lady with hidden talents.

The last independent domme of note in the county is based in Maidenhead. **Miss Ely**, pronounced Ellie, a northern lass who has ventured south to make her fortune. She is however soon going to be off to the continent and Dubai to ply her trade. Still she is certainly an interesting lady.

When it comes to independent working ladies, the county boasts a fair number of interest, which

I will come back to in a future article, but several are particularly worth mentioning. In Reading one lady well worth considering is **Teenah**, who entertains from her home, located not far from the Madejski stadium. Her home stands out as a relatively upmarket house compared with the surrounding houses and she is clearly a lady who does her utmost to please her clients and boasts a fascinating website, so if you are into busty ladies in their forties, who know how to please their clients, she is a must see.

In Slough, a long-standing working lady is **Lauren**, a busty petite blonde in her forties, who when not on tour to Ireland or elsewhere in Britain, entertains from a flat in Langley. Billing herself as the Oral Queen, Lauren has had lots of good reviews, particularly relating to her oral skills, where some of her

many fans have even come to the conclusion, that so far as an oral service is concerned she is unbeatable.

In Bracknell, an interesting newcomer

"A must-see busty lady in her forties"

TEENAH,

is **Dee**, an attractive shapely blonde in her forties. Prepared to travel some distance to see her clients, Dee is a pretty versatile lady, prepared to utilise all reasonable parts of her body, to be filmed, to indulge in tie 'n' tease

for business in the Sunningdale area of Ascot, one of the most upmarket corners of the country that I have visited recently. Neighbouring houses are enormous

and often securely gated! A lady who has a bum to rival Jennifer Lopez or Kim Kardashian, Carly has been entertaining since 2003 and independently since 2012

averse to coming up with everything from a girlfriend experience to behaving like a full-blooded adult actress.

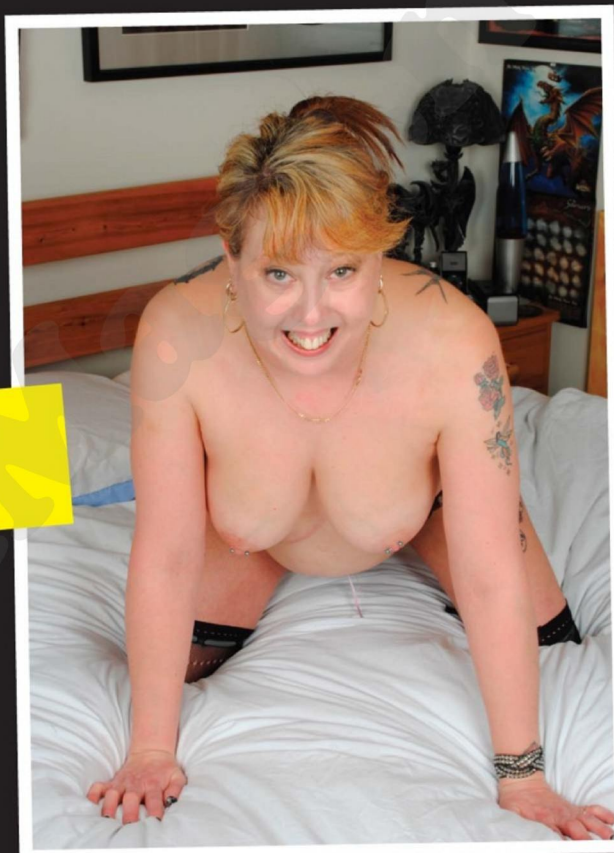

Next Issue – George goes to Beds.

"She bills herself as the Oral Queen"

and to go on dinner dates or even be a travel companion. All in all a truly "dee-lightful" lady.

The final notable lady in the county is **Carly**, a lady I had the pleasure of meeting on a recent trip to the county. She entertains from a room in an enormous complex of mainly offices

and is also remarkably versatile, being game for taking men with her strap-on or being taken similarly by her clients. Indeed, unlike many ladies, she particularly enjoys providing this service. Not that alternatively, she is
